

# No. 5 – Believe In Yourself

(Helen & Kipps)

Music and Arrangement by George Stiles  
Lyrics by Anthony Drewe

**HELEN:** That's flattering but you know what it tells me?  
That you think there's something more in you than just a  
shop assistant, selling haberdashery.

**KIPPS:** Do I?

**HELEN:** Absolutely, and shall I tell you something else? I believe there's more in me  
than just a young woman following her mother around buying curtain material.

**CUE: KIPPS:** Oh, I'm sure of that, Miss.

**HELEN:** There you are, you see. We have a great deal in common, you and I.

**KIPPS:** Really?
